August 2016 – Vol. 2 Issue 8

Dear Beaucatcher Residents,

The July Board meeting was canceled due to lack of quorum.

The Summer Solstice party was a marvelous success. Special thanks to Nancy Adamson and the Social Committee for bringing it all together!

Check out the new website: www.beaucatcherhouse.com . Among others, included:

- **Resident portal – Allows you your own login to access your Beaucatcher account**
- **Cedar Management Group departments and contact information.**

Please contact Beth (bwilson@mycmg.com) for access needs and requests, and let us know what you think.

We have had continued incidences of petty theft and vandalism. Anyone who witnesses or has evidence of incidences is encouraged to report to any board member.

There are items and boxes in the storage room, outside of the lockers. These items will be discarded by Sept. 2nd. Please take a moment to see if you own or are responsible for any of them.

The new pool furniture has been positively received. Please care for the furniture at the pool and all other common areas to ensure the longevity of your community's investments.

As a reminder, please wear non-slip footwear in the pool. The lobby floor is VERY SLICK.

The next Board meeting will be Thursday, August 25 at 6:00 p.m. in the manager's office. Anyone wishing community time should email susancobb@Beverly-Hanks.com with a brief description of what you wish to present, by August 19th.
